International application No.	International filing date (d	ay/month/year)	Priority date (day/month/year)
PCT/US02/19401	17 June 2002 (17.06.2002)	7 June 2002 (17.06.2002) 18 June 2001 (18.06.2001)	
Applicant			

- 1. The applicant is hereby notified that this International Preliminary Examining Authority transmits herewith the international preliminary examination report and its annexes, if any, established on the international application.
- 2. A copy of the report and its annexes, if any, is being transmitted to the International Bureau for communication to all the elected Offices.
- 3. Where required by any of the elected Offices, the International Bureau will prepare an English translation of the report (but not of any annexes) and will transmit such translation to those Offices.

4. REMINDER

SIEBEL SYSTEMS, INC

The applicant must enter the national phase before each elected Office by performing certain acts (filing translations and paying national fees) within 30 months from the priority date (or later in some Offices)(Article 39(1))(see also the reminder sent by the International Bureau with Form PCT/IB/301).

Where a translation of the international application must be furnished to an elected Office, that translation must contain a translation of any annexes to the international preliminary examination report. It is the applicant's responsibility to prepare and furnish such translation directly to each elected Office concerned.

For further details on the applicable time limits and requirements of the elected Offices, see Volume II of the PCT Applicant's Guide.

INTERNATIONAL PRELIMINARY EX	XAMINATION	REPORT
------------------------------	------------	--------

International	application	No.		
PCT/US02/1	9401			

I. Basis of the report 1. With regard to the elements of the international application:* the international application as originally filed. the description:
the international application as originally filed.
the description:
V 7 are geogriphism.
pages 1-85 as originally filed
pages NONE , filed with the demand
pages NONE , filed with the letter of
the claims:
pages 86-94 , as originally filed
pages NONE , as amended (together with any statement) under Article 19
pages NONE, filed with the demand pages NONE, filed with the letter of
the drawings:
pages 1-44 , as originally filed pages NONE , filed with the demand
pages NONE , filed with the letter of
the sequence listing part of the description:
pages NONE , as originally filed pages NONE , filed with the demand
pages NONE , filed with the letter of
2. With regard to the language, all the elements marked above were available or furnished to this Authority in the language in which the international application was filed, unless otherwise indicated under this item. These elements were available or furnished to this Authority in the following language which is:
the language of a translation furnished for the purposes of international search (under Rule23.1(b)).
the language of publication of the international application (under Rule 48.3(b)).
the language of the translation furnished for the purposes of international preliminary examination(under Rules 55.2 and/or 55.3).
3. With regard to any nucleotide and/or amino acid sequence disclosed in the international application, the international preliminary examination was carried out on the basis of the sequence listing:
contained in the international application in printed form.
filed together with the international application in computer readable form.
furnished subsequently to this Authority in written form.
furnished subsequently to this Authority in computer readable form.
The statement that the subsequently furnished written sequence listing does not go beyond the disclosure in the international application as filed has been furnished.
The statement that the information recorded in computer readable form is identical to the written sequence listing has been furnished.
4. The amendments have resulted in the cancellation of
the description, pages NONE
the claims, Nos. NONE
the drawings, sheets/fig NONE
5. This report has been established as if (some of) the amendments had not been made, since they have been considered to go beyond the disclosure as filed, as indicated in the Supplemental Box (Rule 70.2(c)).**
* Replacement sheets which have been furnished to the receiving Office in response to an invitation under Article 14 are referred to it this report as "originally filed" and are not annexed to this report since they do not contain amendments (Rules 70.16 and 70.17). ** Any replacement sheet containing such amendments must be referred to under item 1 and annexed to this report.
